TERMS AND CONDITIONS

Payment terms

1. The terms of payment are strictly thirty (30) days (or such other period as nominated by the supplier herein) from the date of invoice/statement (credit account) or cash before delivery (cash account). Steelforce Australia Ltd ABN 49 093 284 078 and its related bodies corporate (as that term is defined in the *Corporations Act 2001*) (**Supplier**) may, at any time, upon the provision of 48 hours' written notice to the Applicant, vary the terms and conditions of trade.
2. If the Applicant does not agree with the variations proposed by the Supplier, it must notify the Supplier in writing within fourteen (14) days from receipt of the written notice that the variations are not agreed to. The Supplier and/or the Applicant will then be at liberty to suspend/withdraw credit facilities if no agreement can be reached between the parties regarding the proposed variations. Absent notice from the Applicant, the varied terms and conditions of trade may be deemed accepted. Clerical errors (such as spelling mistakes or grammatical errors) may be subject to correction without notification.
3. The Applicant must check all invoices and advise the Supplier of any errors or omissions within seven (7) days of receipt. Failing advice from the Applicant that the invoice contains any errors or omissions, the invoice may be deemed accepted by the Supplier.
4. Should the Applicant not pay for the goods or services supplied by the Supplier in accordance with the credit terms as provided herein, or as agreed in writing by the Supplier and Applicant from time to time, after issuing a written demand to the Applicant demanding payment within fourteen (14) days, the Supplier will be entitled to charge an administration fee of 10 percent of the amount of the invoice payable.
5. The Supplier may impose charges in respect of:
 - (a) surcharge on credit card transactions;
 - (b) a fee equal to whatever fee is charged by the Supplier's bankers for payment dishonour;
 - (c) interest at the rate of 10% simple interest per annum on overdue payment; and
 - (d) account keeping fee of \$50.00 per annum.
6. The Applicant may pay any monies owed to the Supplier by:
 - (a) cash;
 - (b) direct debit (if offered);
 - (c) credit card;
 - (d) cheque to the address shown on the monthly statement (payment by cheque must be pre-approved); or
 - (e) electronic funds transfer.
7. The Supplier may require the completion of a direct debit authority (see direct debit request) as a condition of supply (if offered).

Jurisdiction

8. The Applicant acknowledges and agrees that this agreement will be governed by the laws of Queensland, and the laws of the Commonwealth of Australia which are in force in Queensland.
9. The Applicant acknowledges and agrees that any contract for the supply of goods or services between the Supplier and the Applicant is formed at the address of the Supplier.
10. The parties to this agreement submit to the non-exclusive jurisdiction of the courts of Queensland and the relevant federal courts and courts competent to hear appeals from those courts.

Security/charges

11. The Applicant charges in favour of the Supplier all of its estate and interest in any real property that the Applicant owns at present and in the future with the amount of its indebtedness hereunder until discharged.
12. The Applicant charges in favour of the Supplier all of its estate and interest in any personal property that the Applicant owns at present and in the future with the amount of its indebtedness hereunder until discharged.
13. The Applicant appoints as its duly constituted attorney the Supplier's company secretary from time to time to execute in the Applicant's name and as the Applicant's act and deed any real property mortgage, bill of sale or consent to any caveat the Supplier may choose to lodge against real property that the Applicant may own in any Land Titles Office in any state or territory of Australia, even though the Applicant may not have defaulted in carrying out its obligations hereunder upon written notice and demand to the Applicant (in the event that there is no default by the Applicant in carrying out its obligations hereunder).
14. Where the Applicant has previously entered into an agreement with the Supplier by which the Applicant has granted a charge, mortgage or other security interest (including a security interest as defined in the *Personal Property Securities Act 2009 (PPSA)*) over or in respect of real or personal property, those charges, mortgages or other security interests and the terms which directly or indirectly create rights, powers or obligations in respect thereto will continue and co-exist with the obligations and security interests created in this agreement and will secure all indebtedness and obligations of the Applicant under this agreement. The Supplier may, at its election and upon the provision of written notice, vary the terms of such previous charges, mortgages or other securities to reflect the terms herein.

Purpose of credit

15. The Applicant acknowledges and agrees that the credit to be provided to the Applicant by the Supplier is to be applied wholly or predominantly for commercial purposes.

Formation of contract

16. Quotations made by the Supplier will not be construed as an offer or obligation to supply in accordance with the quotation. The Supplier reserves the right to accept or reject, at its discretion, any offer to purchase received by it upon provision of written reasons to the Applicant. Only written acceptance by the Supplier of the Applicant's offer will complete a contract.
17. Placement of an order, either verbally or in writing, will imply acceptance of the Supplier's offer and of these terms and conditions.
18. Each order of goods by the Applicant shall constitute an offer to purchase. Acceptance of such offer shall occur upon delivery (as defined herein). The Supplier may refuse to accept any order for goods in whole or part by written reason and without any liability.

Electronic Communication

19. By visiting the Supplier's website or sending e-mails to the Supplier, the Applicant is communicating with the Supplier electronically and therefore the Applicant:-

24. Title in the goods does not pass to the Applicant until the Applicant has made payment in full for the goods and, further, until the Applicant has made payment in full of all the other money owing by the Applicant to the Supplier (whether in respect of money payable under a specific contract or on any other account whatsoever).

25. Whilst the Applicant has not paid for the goods supplied in full at any time, the Applicant agrees that property and title in the goods will not pass to the Applicant and the Supplier retains the legal and equitable title in those goods supplied and not yet sold.
26. Until payment in full has been made to the Supplier, the Applicant will hold the goods in a fiduciary capacity for the Supplier and agrees to store the goods in such a manner that they can be identified as the property of the Supplier, and will not mix the goods with other similar goods.
27. The Applicant will be entitled to sell the goods in the ordinary course of its business, but until full payment for the goods has been made to the Supplier, the Applicant will sell as agent and bailee for the Supplier and the proceeds of sale of the goods will be held by the Applicant on trust for the Supplier absolutely.
28. The Applicant's indebtedness to the Supplier, whether in full or in part, will not be discharged by the operation of clause 27 hereof unless and until the funds held on trust are remitted to the Supplier.
29. The Applicant agrees that whilst property and title in the goods remains with the Supplier, the Supplier has the right, with prior notice to the Applicant, to enter upon any premises occupied by the Applicant (or any receiver, receiver and manager, administrator, liquidator or trustee in bankruptcy of the Applicant) to inspect the goods of the Supplier and to repossess the goods which may be in the Applicant's possession, custody or control when payment is overdue.
30. The Applicant will be responsible for the Supplier's reasonable costs and expenses in exercising its rights under clause 29. Where the Supplier exercises any power to enter the premises, that entry will not give rise to any action of trespass or similar action on the part of the Applicant against the Supplier, its employees, servants or agents.
31. The Applicant agrees that where the goods have been retaken into the possession of the Supplier, the Supplier has the absolute right to sell or deal with the goods, and if necessary, sell the goods with the trademark or name of the Applicant on those goods, and the Applicant hereby grants an irrevocable licence to the Supplier to do all things necessary to sell the goods bearing the name or trademark of the Applicant.
32. For the avoidance of doubt, the Supplier's interest constitutes a 'purchase money security interest' pursuant to the PPSA.

Cancellation of terms of credit

33. The Supplier reserves the right to withdraw credit at any time.
34. Upon cancellation with notice all liabilities incurred by the Applicant become immediately due and payable to the Supplier.

Indemnity

44. In such circumstances, the Applicant shall at the request of the Supplier separate all of the goods supplied by the Supplier from all other stock of the Applicant and shall advise the purchaser, receiver, administrator, liquidator or official manager, as the case may be, that the stock so separated is the Supplier's and shall do all things to give the Supplier access and deliver to the Supplier or cause to be delivered to the Supplier all such goods.

Default

45. If the Applicant breaches any term of this agreement and fails to remedy that breach, including failure to pay to the Supplier any moneys due to the Supplier by the due date for payment, or a receiver, manager, liquidator, provisional liquidator, administrator or official manager is appointed over all or any part of the assets or undertaking of the Applicant, or if the Applicant enters into or proposes to enter into a scheme of arrangement, or a petition is presented to wind up the Applicant or the Applicant is insolvent, (default) the Supplier may:
 - (a) demand immediate payment of all moneys owed by the Applicant to the Supplier whether due for payment or not; and/or

In circumstances where the Supplier seeks to enforce a purchase money security interest under the PPSA over collateral or proceeds (these terms being consistent with the terms defined in the PPSA), payments received from the Applicant will be allocated in a manner at the Supplier's absolute and unfettered discretion, so as to attribute, to the greatest extent possible, the unpaid balance of the debt to the purchase money obligation in respect of the collateral and/or proceeds over which the Supplier seeks to enforce its purchase money security interest.
53. To the extent that payments have been allocated to invoices by the Supplier in its business records, the Supplier may, at its sole and unfettered discretion, allocate and/or retrospectively reallocate payments in any manner whatsoever at the Supplier's absolute discretion, including in a manner inconsistent with clause 52 herein.
